# PRESS RELEASE

JLM Design & Remodeling a Division of JLM Services, Inc.  
**Awarded First Place for Whole House Remodel with Addition**  
*Awarded by The Mid Florida Home Builder Association Parade of Homes.*

**Orlando, May 17, 2008:** JLM Design and Remodeling a division of JLM Services today announced that the Home Builders Association of Metro Orlando has awarded first place to JLM Design and Remodeling for Whole House Remodel with Addition (\$400-\$450K) for their entry in this year's Remodel Showcase in the Central Florida Parade of Homes.

Each year the Home Builders Association honors the top builders and remodeling companies who have produced top quality workmanship, outstanding features in home renovation, and exhibit exemplary customer satisfaction. The respected companies are leaders in the Central Florida community who offer the very best of the industry.

"This project was an amazing transformation" says President and owner of JLM Design & Remodeling, Jack Machise. "What began as a project to house the homeowner's tools and hobbies in a garage-workshop addition resulted in a whole house remodel that was designed to accommodate their many house parties" continues Jack Machise. "We are delighted to receive this award and share the accolades with the JLM Design & Remodeling staff, partners and subcontractors who dedicated countless hours to the project."

The project was designed to realize the dreams of both the gentleman and the lady of the house. JLM Design & Remodeling added disability features such as wheelchair accessible doorways, showers, and lower steps to facilitate independent living and mobility as the homeowners enter their senior years. The tiny kitchen was dramatically enlarged and an oversized pantry hidden behind the cabinetry also provides Christmas decorations storage.

The Home Builders Association of Metro Orlando is a professional trade association comprised of more than 1,300 member businesses, recognized as the voice and leadership of the housing and building industry in Central Florida.
