PRESS RELEASE

JLM DESIGN & REMODELING 2004 Parade of Homes Grand Award Winner

May 16, 2004—JLM Design & Remodeling takes home another First Place Award for the interior addition made to a Lake Brantley Club home in this year's Parade of Homes Interior and Addition category, as well as the prestigious Grand Award in the Parade of Homes Remodelor's Showcase for this amazing transformation.

The partial home renovation with two-story addition by the award winning team of JLM Design & Remodeling features a luxurious master suite that consist of a large bedroom with sitting area overlooking the pool, and exquisite master bath, lavish master shower with body massage, custom cabinets with granite tops, a large walk-in closet, private laundry and library. Family entertainment was greatly enhanced when a 240 square-foot media room was added, and the garage was remodeled to include a work area, exercise room, and a high-tech game room with full video wall.

This stunning home was nearly doubled in size with the expansions and 2nd story addition, and considerations were factored in for later aging and mobility issues. The newly added upstairs laundry room holds extra space for the possible future need of an elevator for the aging-in place family.
