# PRESS RELEASE

## JLM DESIGN & REMODELING 2007 Parade of Homes First Place Winner

**May 16, 2007**—JLM Design & Remodeling takes home First Place for their partial remodel of a Sweetwater Oaks home in this year's Parade of Homes Remodelers' Showcase. Visitors were welcomed into the Old World themed home during the open house on April 21<sup>st</sup> and 22<sup>nd</sup> as the team at JLM and the homeowners escorted guests on tours around the newly remodeled space.

Continuing the tradition of assisting clients in redefining their living space, JLM reconfigured and enlarged the outdated small kitchen into a stunning cooking and entertainment area. Added features include Brazilian cherry wood floors, chocolate glazed cabinets with Verde peacock granite countertops, Tuscan tile backsplash and an outdoor summer kitchen and bar. A fabulous wine bar, energy efficient cutting-edge appliances and ambient lighting were the finishing touches to the cooking couples' home.

For those who missed the opportunity to tour this award winning remodel, photos are available online at [www.JLMServices.com](http://www.JLMServices.com). Bon Appétit!
